

Create & Print your Product Sheets

Desktop

Please remember that you can purchase our printing service for \$10. We provide the tags and print all barcodes for you, making your setup process even easier. Simply input your item information by clicking on the 'Product Pricing' tab and adding a NEW Product Sheet. Please notify us once completed at least 3 days prior to your booking start date so we can have everything prepared and ready for you in store upon arrival. It is the responsibility of the seller to attach the tags to each garment upon arrival.

40

Enter your product information using the following format:

- Brand
- Colour
- Description (brief)
- Size
- Price

Tips:

- Use abbreviations, such as Blk, Tee, L/S, S/S etc.
- Don't write 'size' list the size number instead
- There is a character limit
- This one sheet holds 24 products (this is how many can be printed on 1 A4 page). For larger reservations of up to 40 garments, create more product sheets.

Enter the correct amount of products into the product sheet that align with your booking.

Scroll to the bottom of the sheet

Select 'Save.'
